Sgt. Leon Baxter, of the Houston County Sheriff's Department, picks up a purse in a classroom to allow the department's dog to sniff out any possible drugs.

New Brockton High School Visited By "Nosey Guest"

The New Brockton High School and Coffee County Vocational Center had a special visitor on Thursday, May 20, and though the visitor was an invited guest of school officials, he was an unwelcome guest to some of the students.

The special visitor was Uchi, a four-year-old German Shepherd trained in Oak Ridge, Tenn., to sniff out both marijuana and explosives. This day the dog was given a tour of the school in an effort to find illegal drugs. The dog, valued at \$5,000, and owned by the Houston County Sheriff's Dept., makes trips throughout the tri-states area of Alabama, Georgia and Florida, primarily to assist schools in handling possible drug problems. It was his second trip to New Brockton in two years.

"We don't have a drug problem at New Brockton," stated Superintendent of Education John Vaughan. "We simply bring the dog in as an educational tool to let them know what can happen if drugs are brought to school. We think the dog's special abilities act as a deterrent. I want to emphasize that we don't have a drug problem here, and it is partially because of this program. I think all schools should use the dog and use it as a means of prevention. It is not our intent to catch anyone. However, I can assure you that drugs are not tolerated on any of our campuses."

If drugs are found in a car, the owner will be counseled, while if they are found on a student, the Board's policy is for expulsion.

"Sheriff A. B. Clark makes the dog available to all schools," said Coffee County Sheriff Brice Paul. "And school officials bring the dog in to insure a drug problem doesn't occur. The dog will go to one or two schools a week, as requested. We have brought the dog in upon Supt. Vaughan's request the past

two years. And, while last year every school was searched, this year only New Brockton was searched, due to scheduling problems."

Last week's search began at 10:00 a.m., and the dog searched the student parking lot, classrooms and places law enforcement officials felt drugs would most likely be hidden. During the search, the dog sniffed out one marijuana joint in the men's bathroom, one marijuana joint in the canteen, a bag

containing 1/4-ounce of marijuana in the library, a bag containing 1/2-ounce of marijuana, cigarette papers and a lighter in a paint room in the vocational school, and a bag containing four pills (used as uppers), wrapped in a stretcher in another room in the vocational school.

Supt. Vaughan reported the search served its purpose, and hinted it would be an annual occurrence in the county.

Magwood Death Sentence Is Upheld

An Alabama appellate court has upheld the death sentence of convicted murderer Billy Joe Magwood, and a date for his electrocution is expected to be set within a few days by Circuit Judge Riley Green.

Magwood was found guilty of the murder of Coffee County Sheriff Neil

Grantham on June 2, 1981, and the death sentence was recommended by both the jury and the court. The sentence was automatically appealed by state law, and the ruling on the appeal was announced last week.

In announcing its ruling, the court stated that the Supreme Court of

Alabama had indicated the standards and procedure it requires the court to follow in reviewing capital murder cases, and that the appellate court had scrutinized the case in light of the standards, and found the crime was properly punishable by death, and that the sentence was appropriate.

Inmate Charged In Robbery

An inmate at the Elba Work Release Center has been charged with third degree burglary in connection with the theft of \$500 from the office of Elba Recreation Director Dennis Smith.

Ronnie Baker, age 25, of Bayou

County, was to be paroled on June 4, but is now in the Coffee County Jail awaiting transfer to a state prison. If convicted of the burglary charge, Baker could face life in prison under the habitual offender statute.

Car Owners Reminded To Buy Tags

Coffee County officials note that there is an unusually large number of citizens who have not purchased their tags this month.

Those persons whose name begins with H or O are urged to purchase their tag in May to avoid paying late penalty.

Elba Police Officer Pete Daugherty, who investigated the crime, reported a warrant was served on Baker on May 21. Baker had been employed with the recreation department as a laborer for six weeks prior to the burglary, and had access to the office. Everyone possessing keys to the office was questioned during the investigation. However, reports of Baker having "more money than usual" made him a prime suspect. The money, all \$10 and \$20 bills, was stolen during a three-week period, and it was found missing by a concession stand employee.

Commission Sets Up Fund To Cover Expenses

County Commissioners Billy Eagerton and Eugene Bradley examine document allowing GTE to install telephones on county right-of-way.

The Coffee County Commission met in regular session on Monday, May 24, at the courthouse in Enterprise and handled only routine business in a brief one hour meeting.

Present at the bi-monthly meeting were Commission Chairman James L. Sawyer, Commission Clerk Brunesea Winslow, and Commissioners Glimmer Grant, Rex Boutwell, Billy Eagerton, Charlie Mack Martin, Eugene Bradley and Marvin Bowden.

The first order of business was the reading of a letter from General Telephone requesting the commission enter into an agreement with the company giving it permission to install telephone lines on county right-of-way. The commission agreed to enter into the agreement, but insisted the company acquire a damage bond of \$3,500 in case of damage to the right-of-way.

The final paperwork on a Community Development Block Grant from the state was signed, giving the probate judge, acting as commission chairman, the authority to sign all future documents involving the grant. If received, the grant will be used to pave roadway in three locations in the County.

The State Highway Department provided rural transportation for county residents, and, as in the past, the commission passed the fund application to the Human Resource and Development Commission for its consideration.

As requested at the previous meeting, a cost estimate was compiled on repaving Herman Driggers Drive, near Elba. The commission agreed the road is in poor condition and needs immediate work, but after looking at the cost estimate, took no action and ended the discussion.

A county map showing redistricting plans was passed around and it revealed that voters in the Cool Springs and Mt. Pleasant areas would change and be in District 73 for representation in the House of Representatives. The two areas would be the only in Coffee County not included in District 74, now served by Jimmy Holley. The change was included in the state's original reapportionment plan that was rejected by the United States Justice Department. However, since no objections were voiced concerning the change, the new statewide plan will also include the change. The reapportionment program is initiated every ten years to balance population trends and to insure equal representation.

Upon the request of the County Pensions and Security Board, the commission took no action to appoint two new board members to replace two members who recently resigned. The board stated it has five active members and sees no need to fill the vacancies, which are filled by the commission. The members who resigned were Marvin L. Carroll and Johnnie B. Maddox.

A special fund was set up Monday to cover expenditures related to the construction of a new county jail in New Brockton. Though expenditures are now few, the need to cover costs will

increase in the future, and the new fund will insure prompt payment. The special fund will repay the General Fund for the expenses. Two expenses were revealed Monday in a bill from the architectural firm of Pearson, Humphries, Jones and Associates, thus initiating the need of the fund. The bill included \$2,500 for a jail population survey conducted by Dr. Mike Haley and \$325 in legal fees.

In a related jail matter, the commission voted 4-2 to employ an Enterprise firm to conduct a survey of land at the proposed jail site in New Brockton. The National Guard unit in New Brockton had originally agreed to do the survey, but constant delays resulted in delays by the architect, and it was decided the survey must be done as soon as possible. The firm of Smith Surveyors will do the work, and the survey will then be sent to the architect. Voting against the motion to hire a surveyor were Bradley and Bowden.

Billy Devane, acting head of the Highway Department, was at the meeting and got approval to get bids on two two-ton trucks and a large bush hog, and purchase two small bush hogs.

Devane presented the specifications on the trucks, to be used with dump bodies, and the commission agreed to open the bids on June 14. The need for the bush hogs was brought up by the commission, which stated the grass along county roads needs cutting immediately. After a discussion on the county's needs, it was decided to buy two bush hogs and put them to work immediately, and to seek bids on a large bush hog.

Allen Pleads Not Guilty

Cox Draws Stiff Fine

Sam Cox, the subject of a wild, three-day manhunt earlier this month, was found guilty of three misdemeanor charges last Friday, and sentenced to two years in jail, and ordered to pay a \$1500 fine.

Cox was sentenced to six months in jail for attempting to elude a police

officer, six months for reckless driving, and one year for leaving the scene of an accident. A fine of \$1500 was also tacked onto the sentence. Further felony charges are pending against Cox in the phase that involved state, county and city law enforcement officials on May 8-10.

In an unrelated matter, Goob Allen pleaded not guilty to the charge of attempted murder. Allen, age 53, was arrested on Tuesday, May 18, and charged with the attempted murder of his brother, Clifford Allen. No court date has been set.

Holley Proposes Lower Out Of State Hunting Fee

Representative Jimmy Holley reported Wednesday morning of this week that he had successfully engineered a bill that would drop the cost of out-of-state hunting licenses. Holley noted that during the regular session of the Alabama Legislature a bill was passed raising the cost of an annual hunting license for out-of-state hunters coming into Alabama to a cost of \$175. The bill Holley has before the Legislature at this time will drop that back to \$99, still a large increase from

the cost last hunting season. Florida hunters have been up in arms over the plan, and have been successful in getting the attention of Florida lawmakers and newspaper editorial writers who are tossing around the idea of increasing the license cost for out-of-state fishermen coming into Florida to an equal amount. While this would hurt the Florida tourist trade, it has gotten the attention of Alabama Legislators, and Holley's bill has a good chance of passing.

FFA Quartet To Appear On TV

The Elba FFA Quartet has been asked to appear on WTVY Channel 4 in Dothan on the Morning Show with Ann Varum. They will travel to Dothan Tuesday, June 8, to tape the show which will be aired either June 10 or 11, at 7:00 a.m. The Quartet is made up of John Meacham, Charlie Marler, Ben Mallory, Rhett McCollough, and Mark Bowers.

Mr. Carley, chapter advisor, feels like this is great public relations for the group and a great honor to be on Mr. Varum's show.

The quartet went to Montgomery on Saturday, May 22, to audition for the WFA-TV South Alabama State Fair. "Search for Talent."

Again the quartet thanks the community for their fine support and would appreciate it if everyone would watch these young men perform on June 10 or 11.

Students Enjoy French Club Convention

The Thirty-First Annual Convention of Alabama Federation of French Clubs convened April 16-17 at the University of Alabama. Take-off time was scheduled for 7 a.m. Friday morning. Every one thought that we would get off in time since even Cara English had arrived on time, but when the roll was called two people were missing-Margaret and Paul Cox. However, after a short delay, the caravan finally pulled out with Mrs. Padgett leading the way and Mrs. Davis falling behind to keep watch for all the lost sheep that might go astray. Except for our traditional stop at Price's Doughnuts the journey was made with out stops.

We lunched at Quincy's in Tuscaloosa and then headed for Ferguson Center to register. There the exhibit was unloaded and then we went to the small theatre for the opening assembly. After the assembly we separated and different ones went to the various discussion groups including French cooking, a slide presentation, French television, and an interview with exchange students. Following the discussion groups, we assembled in the theatre for Level 1 individual competition. Stacy Santa Rosa was our entry.

After competition we headed for the Stafford Inn. Here we encountered our first mishap-our rooms were not ready! After sitting in the lobby for what seemed like hours, we decided there was a need for entertainment. Thus we took a collection and for \$4 David Brinkley (Claude Dorsey) and Howard Cosell (Brian English) were "bribed" to perform in the main lobby.

Everyone was thoroughly entertained, and finally our rooms were ready. At this point, we met with our second major mishap. With all the girls low drying and heat rolling their hair, we blew a fuse and suddenly our rooms were without electricity.

With everyone finally ready for the banquet and power restored, we headed back for Ferguson. There we enjoyed delicious food at the banquet. Afterwards we listened to Greg Henderson's advanced level competition and then we ventured over to the Mineral Industries Building to hear Wendy Bowers and Stacy Santa Rosa.

Rossa in group competition.

Then came the dance-we danced until we had sore ankles, aching muscles, and half-asleep eyes.

After the dance, ending at midnight, it was back to the motel where we had a surprise birthday party for Greg Henderson in Mrs. Padgett's room. Then we got a good night's rest (I) and were up bright and early for the next day's activities when more hairdryers blew the fuses again!

The officers of the Coffee County Extension Council, Mack Donaldson - president and Denby Lowery - vice president, are shaping up plans for the spring council meeting. The group will meet the night of June 3 in the Community Room in New Brockton.

The council has a real treat in store. Dr. Stanley Wilson, vice president of Agriculture, Home Economics and Veterinary Medicine at Auburn, is the speaker. Dr. Wilson is an excellent speaker and a dynamic leader. The council is fortunate to have him come.

In addition to Dr. Wilson, Sara Hutchinson and others are working on entertainment and some committee chairmen will give reports.

For example, we have good publications on crops, gardens, foods, clothing plus state planning, developing a will, tax savings for forest landowners and many more. We invite you to come and browse and get information which you can add to your home library.

HELP

We need volunteers! We need help in a lot of areas, but we would like to have volunteers to serve as a receptionist and to answer the telephone. If you are willing to give a half day or a day or even more time to this, I can just about guarantee that it will be rewarding. If you are interested, contact Sara Hutchinson or me at 894-5596. You don't have to be able to type or take shorthand to volunteer. Some herbicides are very effective against certain

THE PRESSBOX

The annual Deep South Racking Horse Show is coming up this Saturday at the Recreation Center, and if you've never been to a show, you need to make plans to attend. Horses compete in 18 different categories and really put on a show, and it's enjoyable to see these big money horses parade around the arena. There is plenty of food and drinks for everyone, with all proceeds going to the Fire Department, and you can bring your lawn chair and relax while the horses do all the work. Come on out; you might just have a good time!

Registration is going on this week for both girls softball and minor league baseball, and it looks like both leagues are growing by leaps and bounds. Recreation Director Dennis Smith started the programs two years ago, and there was very little interest. However, the minor league program grew to three times last year and over 40 young girls signed up for softball. So far this year over 50 boys and 50 girls have signed up, which means at least 4 teams in both leagues. The leagues can't get too big because of a lack of fields, but next year when the new park is completed, plans call for a league for older girls (15-16) and an expanded program there is no doubt Elba's recreation program is getting better and better, and it looks like the best is yet to come.

The Dixie Youth and Babe Ruth baseball leagues continued their season last week, and all the teams are improving with each and every game. Beginning this week, I'll pick a "Player of the Week" in both leagues as a means of honoring the boys who turn in outstanding performances. Here goes... "Dixie Youth Player of the Week" - Dwan Hooks. Dwan is a two-year veteran in the league and last week put on quite a show by getting 4 hits in 4 at-bats, including a single, two doubles, and a homerun. Hooks also pitched five innings, allowing only one earned run, two hits, and striking out 12 batters! Up in the big leagues, the "Babe Ruth Player of the Week" is John Hudson. Hudson went two for three last week with both hits being doubles, and hurled a two-hitter in which he struck out 12 batters in only five innings. Both of these young men are to be commended for their fine play!

By the way, the single season homerun record in the Elba Dixie Youth League is 8, held by Frank Thomas. Buddy King and Marty Marlar are tied for second with 7, so there you have it boys, something to shoot at.

Over in the softball league the season is nearing the halfway mark, and it looks like the competition will be hot and heavy when the league splits into two divisions. There are at least three teams who can beat anybody on any given night, and three more who are close behind and can never be counted out. It looks like possibly a split will put six teams in one division and eight in another, but it could go right down the line and divide the league at seven and seven. One thing for sure, we'll know Thursday night and then the real trophy hunting will begin.

Looking back at last week, the biggest news was what almost happened to the league-leading Peoples Bank! The Bankers played Work Release in a game everyone thought would only last five innings (due to the 10 run rule), but Work Release had come to play and moved on top 7-2 late in the game only to lose 8-7 as the Bank staged a furious rally. It goes to show you anything can happen!

Some of the top individual performances came from David Haley and Jeff McDaniel. Haley went 6 for 6 to lead Cook Chevrolet to a win, while McDaniel slugged three homers in succession in a P&M Trucking win. Not bad.

School is almost out and that means the annual game of "musical chairs" for coaches is in full swing. The changes in football were mentioned in at Brundidge, Samson, and Florala. Up at Brundidge, former Elba coach Leon Atkins has moved on and junior high coach Wayne Grant stepped in. Coach Atkins took the Brundidge job after taking a few years off and where he is headed is anybody's guess. Down at Samson, it seems a group of parents went to the school board and requested Coach Mike Williams be brought back as coach to replace Jerry Brown. Williams coached at Samson two years ago and took the Tigers to state, but then left, and in came Brown, who led the Tigers to a share of the '81 area championship. It'll be interesting to see who hires the coaches down at Samson! Finally, there is a vacancy at Florala, where Randall Cassidy resigned. The Wildcats are rich in tradition and shouldn't have any trouble getting a good coach.

Changing sports to basketball, there are two very attractive vacancies in the area. First over at New Brockton, the home of the 1981 state champs, where Paul Word has left after only one year, and second at Brundidge, where Mance Daughtry has resigned after a very successful stay. There are plenty of athletes at both New Brockton and Brundidge, and both schools have winning programs, so, both will undoubtedly get a lot of applicants.

The student-athletes at Elba High were honored at Elba High last week, and as usual at Elba, the food was great and the speeches short, making it an enjoyable event. I know all the students well and share their feelings about the awards, and I know the honors they received are well deserved. The local banquet is always the last, but it is always a good one!

Named Most Valuable Player in basketball was Bobby Gulley, an All-SAC honoree, the leading scorer and top rebounder.

Baseball coach John F. Hudson said, "Our team started off bad, but did improve. The boys who stuck it out beat down and dedicated themselves to the sport." Named team captain was Ken Yelverton.

The Donald Bowden Memorial award winner, presented annually to a student who excels in athletics and academics, was Buddy Clark, while Mike Amison won the Charlie Windham Memorial Trophy, which is presented to an athlete displaying dedication and sportsmanship.

In closing, Coach Wood thanked the people who helped in the athletic program, and gave special thanks to everyone in the Elba community for their support.

Former Alabama stars Reggie K. R. Dunn and Leon Douglas are just a few of the NBA stars scheduled to attend the camp. The camp will stress fundamentals, three-on-three competition, five-on-five competition and league play.

Campers will play in the Memorial Coliseum and Foster Auditorium on the Alabama campus and will be housed in air-conditioned Tutwiler Dorm.

Overnight camper fee will be \$185 per session with day camper fee set at \$135 per session. A camper must have completed the fifth grade and must not have begun his senior year of high school. A's open 3 game lead in Babe Ruth

DODGER PITCHER Kimmie Daniels lets one fly in recent action in the Elba Babe Ruth League. Despite Daniels' pitching efforts, the Dodgers remain winless in the league.

The Babe Ruth Baseball League continued to roll along last week and the A's steamrolled past two opponents to open a three game lead in the league standings. Standings thru Thursday, May 20, show the A's on top with a 6-0 slate, followed by the Reds and White Sox with 3-3 records, while the Dodgers are in the cellar at 0-6. Following are brief reports of last week's games.

White Sox 8
Dodgers 4
The White Sox led all the way to post an 8-4 win over the Dodgers. The Sox came out smoking and scored 4 runs in the opening inning to set the early pace. Mike McCollough opened the inning with a single and his hit opened the gates as Jack Lee, Bryan Payne, Randy Greathouse, Ricky Messick, and Tommy Holt all followed with hits to spark the rally! Kimmie Daniels led off the bottom of the first with a hit, and although it was their only hit of the frame, the Dodgers took advantage of 4 walks and 2 errors to cut the White Sox lead to 4-3. A two-run double by Ricky Messick moved the Sox out to a 6-3 lead in the third

inning, and that was all the Sox would need as they coasted in with the win. Ricky Messick got 3 hits to spark the White Sox, Randy Greathouse added 2, and Jack Lee, Mike McCollough, Bryan Payne, Tommy Holt, and James Wise all got 1 hit. Kimmie Daniels, Robin Lawrence and Brian Dawson got 1 hit apiece for the Dodgers.

A's 20
Reds 5
The A's scored in every inning to bury the Reds 20-5. A two-run double in the opening inning by Tim Dyeys got the A's off to a quick start, and a two-run single by John Osborn in the second sparked a rally that put the A's on top to stay at 6-0. A bases-loaded double by Wayne Jackson cut the lead to 6-3 in the bottom of the second, however, the A's added a lone run in the third to pull ahead 7-3 and then added 9 runs in the fourth to put the win on ice! Four walks helped the A's rally,

but Craig Mardock, Tim Dyeys, Leroy Cole, and David Ammons all got hits to aid the cause, while Bill Bruckner got 2 hits in the inning to spark the explosion. The Reds added 2 runs in the final inning, however, it was way too little, way too late as the A's clinched the win.

Craig Mardock and Bill Bruckner got 3 hits apiece for the A's, Tim Dyeys and Leroy Cole both added 2, while John Osborn, John Hudson, David Ammons and Bubba Craighead all added 1 hit. Wayne Jackson got 2 hits for the Reds, while Mick Phillips, Tim Flowers, and Chris West got 1 each.

Mick Phillips and Stan Sauls got 2 hits apiece to spark the Reds, while Wayne Jackson added one. Mike McCollough, Jack Lee, and Randy Greathouse got 2 hits each for the White Sox, while Art Brunson, Ricky Messick, and Gary Jowers had one apiece.

The Reds moved back into a tie for second place by nipping the White Sox 8-7 in a seven-inning thriller! The Reds' Mick Phillips collected an RBI single and later scored on an error to give his team a 2-0 first inning lead, while a double by Stan Sauls and a couple of walks resulted in two more runs in

the second to put the Reds on top 4-0. Consistent singles by Mike McCollough, Art Brunson, Jack Lee, and Randy Greathouse and a two-run single by Ricky Messick sparked a third inning rally that rallied the Sox and gave them a 6-4 bulge, but the Reds answered with four runs in the fourth to regain the lead at 8-6. The Red comeback came on the strength of 4 walks and 2 errors. The Sox scored once in the seventh to pull within once, but couldn't catch up and lost 8-7.

John Osborn got 2 hits to spark the A's, while John Hudson, Leroy Cole, Scotty Sullivan, and David Ammons all added one. Kimmie Daniels got both Dodger hits.

NEXT NAIA PRESIDENT - At the University of Montevallo Men's Athletics Awards Banquet on April 30, State Representative Curtis Smith (left) presented a resolution of merit to UM men's athletic director Dr. Leon G. Davis, who on August 1 this summer will become the new president of the National Association of Intercollegiate Athletics.

Dr. Leon Davis accepts position as president

The upcoming year will be a busy one for Dr. Leon Davis, a native of the Ino Community and a family friend who serves as the Athletic Director and golf coach at the University of Montevallo, but will accept a new responsibility on August 1 when he becomes the president of the National Association of Intercollegiate Athletics. Holding three jobs at once could prove hectic, but it is a

position Dr. Davis is looking forward to. "I am very humbled by this honor that will be coming my way," said Davis, "and I consider it the greatest opportunity in athletics I've ever had. Being president is also something that I think reflects very favorably on the University of Montevallo. There are a lot of misconceptions as to just what we are and what we do at the NAIA, and if possible,

During his years on the executive committee, Davis reports he has seen a lot of changes in the NAIA. "Certainly the biggest change has been the incorporating of a national women's program last year, which went very well," according to Davis. "Also we have seen greater cooperation between the NAIA and other national sports organizations. A clear example of this has been a national declaration of intent to participate, which is jointly administered by the NAIA and NCAA."

Though Davis' duties as NAIA president will not exactly be spelled out in a handbook, he will generally work in conjunction with the Executive Committee in administering the NAIA's programs.

TIGER BATTER Wynn Grimes is ready and waiting in a recent win. The Tigers are in a battle for second place in the Dixie Youth League.

Cardinals continue to fly high in Dixie Youth

There were plenty of runs scored last week as the Dixie Youth baseball league continued its season with a total of four games being contested. Standings thru Thursday, May 20, show the Cardinals on top with a 5-0 slate, followed by the Mets 4-1, Tigers 3-2, Pirates 2-3, Yankees 1-4, and Astros 0-5. Following are highlights of last week's games:

Mets 15
Astros 9
The Mets grabbed an early lead and turned back repeated Astros rallies to post a 15-9 win. An RBI double by Gappa Wise gave the Mets a 1-0 first inning lead, and doubles by Wise and Barry Bryan in the second pushed the Mets out to a 4-0 bulge! The Mets lead grew to 6-1 in the top of the fourth, and it looked like an easy win, but the Astros came battling back and pulled within 6-3 behind the bat of Matt Henderson. Three strikes and three errors enabled the Mets to move on top 11-3 in the fifth, and the Astros couldn't catch up time and took the loss.

Gappa Wise got 3 hits to spark the Mets, Barry Bryan added 2, and Greg Hanchey, Scotty Cole, Phil Boggan, and James Hodge all got one. Jason Moore got 2 hits for the Astros, while Keith Henderson, Christian Fleming, Troy Kelley, B. Gilbert, and Reggie Horstead all got one.

Cardinals 13
Pirates 3
The Cardinals led all the way to rip the Pirates 13-3 and remain unbeaten. The Cardinals got off to a fast start on a two-run homer by Dwan Caldwell and opened a 4-0 lead in the top of the first. The Pirates cut the lead to 4-2 in the bottom of the first, only to see the Cardinals come back and score in every inning to claim the easy win!

but Craig Mardock, Tim Dyeys, Leroy Cole, and David Ammons all got hits to aid the cause, while Bill Bruckner got 2 hits in the inning to spark the explosion. The Reds added 2 runs in the final inning, however, it was way too little, way too late as the A's clinched the win.

Craig Mardock and Bill Bruckner got 3 hits apiece for the A's, Tim Dyeys and Leroy Cole both added 2, while John Osborn, John Hudson, David Ammons and Bubba Craighead all added 1 hit. Wayne Jackson got 2 hits for the Reds, while Mick Phillips, Tim Flowers, and Chris West got 1 each.

Mick Phillips and Stan Sauls got 2 hits apiece to spark the Reds, while Wayne Jackson added one. Mike McCollough, Jack Lee, and Randy Greathouse got 2 hits each for the White Sox, while Art Brunson, Ricky Messick, and Gary Jowers had one apiece.

The Reds moved back into a tie for second place by nipping the White Sox 8-7 in a seven-inning thriller! The Reds' Mick Phillips collected an RBI single and later scored on an error to give his team a 2-0 first inning lead, while a double by Stan Sauls and a couple of walks resulted in two more runs in

the second to put the Reds on top 4-0. Consistent singles by Mike McCollough, Art Brunson, Jack Lee, and Randy Greathouse and a two-run single by Ricky Messick sparked a third inning rally that rallied the Sox and gave them a 6-4 bulge, but the Reds answered with four runs in the fourth to regain the lead at 8-6. The Red comeback came on the strength of 4 walks and 2 errors. The Sox scored once in the seventh to pull within once, but couldn't catch up and lost 8-7.

John Osborn got 2 hits to spark the A's, while John Hudson, Leroy Cole, Scotty Sullivan, and David Ammons all added one. Kimmie Daniels got both Dodger hits.

George Williams

Announces
Candidacy

George K. Williams, a Huntsville attorney, has announced his candidacy for the Alabama Supreme Court. Williams has been engaged in the private practice of law in Huntsville for the past 26 years, and presently serves as president of the Huntsville Bar Association. He plans to qualify for Place No. 3 on the Alabama Supreme Court, which place is presently held by Oscar Adams, the first black on that Court, and recently appointed by Gov. Fob James.

Williams, a graduate of the University of Alabama School of Law, and author of other legal treatises, is listed in "Who's Who in Alabama" and "Who's Who in American Law." He is married to the former Doris Toford of Huntsville and they have four children.

Born in Greenville, Ala., where he attended the public schools, Williams, a Korean War veteran, has practiced law in Huntsville since being admitted to the bar in 1956.

Described by his constituents as a conservative Democrat, Williams stated, "It seems to me that the legal system is only concerned with the welfare of the criminal. While I will not violate any of the rights granted by our Constitution, I believe it is time we had someone in the judiciary who is as equally concerned about the rights of the victim."

H.L. Callahan is Candidate For Lt. Governor

State Senator H. L. "Sonny" Callahan of Mobile announced last week that he intends to be a candidate for lieutenant governor. The veteran legislator told an enthusiastic crowd of 1200 persons at the Mobile Sheraton that he would formally announce his candidacy early next month.

The crowd attending the Senator H. L. "Sonny" Callahan Appreciation Night was one of the largest gatherings of its type in Mobile history, according to some long-time political observers.

"I'm not a political opportunist," the 12-year veteran of the Alabama Legislature told the group of supporters. "I'm not going to use this as a stepping stone to something else. We need someone who wants to preside over the Senate and work with the governor in solving some of the pressing problems of our state," he said.

Callahan thanked his supporters for giving him the opportunity to serve them and the people of Alabama. He expressed pride over many of his accomplishments, including improvements in mental health facilities. Callahan also pointed out that he led the fight to preserve the \$449 million oil windfall money.

Callahan, who is president of Finch Warehouse & Transfer Co., was elected to the Alabama House of Representatives in 1970 and again in 1974. He then won a seat in the Senate without opposition in 1978.

Qualifying for the September primaries begins June 9. The lieutenant governor serves a four-year term and draws a salary of \$400 a month plus \$67 for each year the Legislature is in session.
